Dear Molly,

Congratulations! The Caine College of the Arts is pleased to announce that your outstanding academic performance for Fall Semester 2014 has earned you a place on the Dean's List.

This selection is based on the completion of at least 15 graded credits, while earning a grade point average of 3.5 or above. This accomplishment is a source of shared pride: the pride we feel in the outstanding scholarship in our college and the pride you must feel in your own success.

Although grades are not the only basis for achieving professional success, they are still important factors, especially in certain types of employment. Your personal and cultural development is also an important part of the educational experience, and we encourage you to balance your education while still maintaining the high level of academic achievement you have shown in the classroom and laboratories.

Again, I congratulate you and wish you continued success.

Sincerely,

Craig Jessop, Dean  
Caine College of the Arts
