To Whom It May Concern:

It is my pleasure to recommend Molly Cameron for employment. Mrs. Cameron has worked as my student teacher in theatre and stagecraft classes with great success.

Mrs. Cameron joined the Coronado Theatre Department earlier this year and met the challenge of five preps and assistant directing with great excitement and educated passion. Whether working with advanced acting students as they navigated monologues or stagecraft students as they tested their skills in a variety of areas, Mrs. Cameron demonstrated not only knowledge in the content area, but also the professionalism of an experienced teacher.

Mrs. Cameron has done an excellent job in integrating into our department and school. She is punctual, consistent, and dedicated to improving herself as well as student performance.

It is with confidence that I recommend Molly Cameron for employment in your theatre department and school.

Sincerely-

Erin Ambroz
