

Dear Molly,

I don't even know where to start! YOU are an amazing person and a Very talented performer! I've told you before, but I absolutely love the variety you can do in different songs and sound perfect in all of them!

I have really enjoyed working with you, and chatting in the halls and partying in the costume shop. You truly are one of my biggest inspirations! Thank you also for all your <sup>BreakALeg!</sup> hardwork on Costumes! -Amber
